

# Would you like to be a SJEYE Hand Holder?

We at South Jersey Eye Physicians know that anxiety can accompany the prospect of eye surgery. But no one understands better than those who have been through it themselves. That's why we created the "**Hand Holders Club.**"

We're looking for caring volunteers to comfort our patients by simply holding their hands during their cataract surgery - performed at our Eye Surgery Center in Moorestown. In addition to a sense of personal satisfaction, Hand Holders will also receive a 30% discount on eyeglasses at our optical shops.

If you would like to join our "**Hand Holders Club,**" please call our office at 856-234-0222, extension 2720. You can also mail this form to us or give it to the receptionist at your next office visit.
